

How-to publish and share AccurioPro FLUX Hotfolders on your network to access via the web browser.

- 1. Login to AccurioPro FLUX
- 2. Go to FLUX Configuration / Hotfolders
- Select Products from which you want to activate a Hotfolder.
- 4. Also Activate Hotfolder on Webpage
- Check Hotfolder product to ensure configuration and quantity is correctly set.
- Now using a Web browser go to published
   Web Hotfolder Link to open Hotfolders.

- 7. **Drag and drop** common jobs onto Hotfolders.
- Jobs will now appear in the FLUX incoming queue ready for printing.
