

## How to retrieve the Job History Log from the AccurioPress.

- In your Web-browser enter the IP address of the AccurioPress Print Controller. You will be prompted to login
- 2. Enter a user name.
- 3. Go to the **Configuration** Tab
- 4. Select **Download Job History**.
- Specify a date and time range you wish to view.
- 6. Select Ok
- Check your **Downloads** folder for the .csv log.
- Open the file to view as a .csv 'comma delimited' format.
- The exported Job History provides details on: User, File name, Result, Number of pages, Color/Mono split, Copies Printed, Print Time, Media Type and Media Size.
